Survey Question for Indoor Golf Operators

The IGA is Planning a Nationwide Indoor Golf Facility FREE DAY in May 2026.

Would you be willing to host an open house for newcomers?

Yes or No? Send your response to phili@indoorgolfalliance.org

Industry Update

2026's Hottest Indoor Golf Trends Revealed

The landscape of golf is changing. No longer is it just played on golf courses around the world, it can also be played in your garage, basement, or a sports bar with the right setup. Thanks to companies like [The Indoor Golf Shop](#), it's never been easier to set up a [home golf simulator](#) or even to add one or two or more to a clubhouse or any other [entertainment establishment](#).

Facility Spotlight

The Putting Zone Brings a New Indoor Golf Experience to Nashville

The TPZ, a 29,000-square-foot indoor facility, is based in Nashville, TN. It houses a par-72, 18-hole full-blown putting course that stretches just over 1/3 of a mile. Designed by the award-winning golf architect duo of *Garl-Nix*, well known for their thoughtful, memorable designs, the course features multiple changeable hole and tee locations, like an outdoor green. This keeps the course fresh every time it is played. The Flagship putting course is legitimately the new **Putting Capitol of the World**. The entire design is crafted to mirror the contours, nuances, and challenges of its outdoor twin.

Simulator News

Simulators Market to Reach USD 36 Billion by 2035, Driven by Advanced Training Technologies

Simulators Market was valued at USD 23.61 billion in 2024 and is forecasted to reach USD 36.04 billion by 2035, registering a compound annual growth rate of 3.92% between 2025 and 2035. Market growth is primarily driven by the increasing need for cost-effective, safe, and repeatable training environments across multiple industries. Aviation and defense sectors are increasingly relying on simulation for pilot and soldier training, while healthcare institutions are adopting simulators for surgical and procedural skill development.

Marketing and Promotions

Eddie Roman Launches 2026 “On the Upswing Golf Series” in Philadelphia with a VIP Experience Blending Golf, Leadership, and Access

On Monday, March 9th, Eddie Roman will officially launch the 2026 season of his On the Upswing Golf Series: an elevated VIP, invite-only experience bringing together leaders, professionals, and entrepreneurs across various industries for an evening of blending executive resetting, wellness, mental performance, and meaningful access, while simultaneously teaching the power of golf.

Kicking off in the Philadelphia Metro region, On the Upswing is both sponsored by and will take place at Fairways & Dreams in Conshohocken. Set to be an avant-garde affair for its attendees, repositioning them to dually enhance their network and their golf swing “on the green”, to change the “course” of their life! Unlike traditional golf tournaments or networking mixers, the event is intentionally curated to meet participants where they are, whether seasoned players or first-time golfers, while equipping them for the next level of growth in business and in life.

Last but not least, attendees will be given actual tools, sponsored gifts, and various giveaways to take their personal lives, leadership, and careers to the next level, spanning from social media and networking enhancement membership tools to golf training, attire, as well as many other surprises for this distinctive guest list.

Tournament News

World’s First National Team Championship in Indoor Golf Crowns Champions in Denmark

A new chapter in golf history was written on Saturday when Denmark crowned the inaugural national champions of indoor golf at the NORM Invest Divisionen -- the world's first official national team championship played entirely on golf simulators. The tournament brought together 19 teams of Denmark's top elite golf clubs, with approximately 130 players, captains and spectators gathered for finals day in Roskilde.
