**IGA Simulator Finder 2600 locations**

---

## **Indoor Golf Alliance News**

**The IGA is excited to announce our new indoor golf facility and simulator finder**, including all 2600 Indoor Golf locations, brands and operators in the US.

Search by location, brand, services.

### **Why is this important to you?**

1. Know your competition.
2. Decide where to expand.
3. See who is doing what in the industry.
4. Update your new location for free.
5. Grow smarter.

This is a new tool to assist indoor operators, golf courses and investors to make better decisions for expansion plans.

For more information or to add your location, please email Phil Immordino [phili@indoorgolfalliance.org](mailto:phili@indoorgolfalliance.org)

### **PopStroke's Growth Redefines Golf Entertainment, With Wall Street Ties**

When former Wall Street executive Greg Bartoli began acquiring several properties in South Florida in the early 2010s, he and his wife had three kids – ages 1, 3 and 4 at the time. They thought, admittedly somewhat selfishly, that it would be fun to have a sports bar combined with a playground, a place where parents could hang out and watch sporting events and socialize while the kids played safely nearby.

The original concept, Lighthouse Cove Adventure Golf in Jupiter, Florida, boasted two traditional 18-hole miniature golf courses and an ice cream parlor in addition to the popular sports bar and secure playground. Lighthouse Cove did “phenomenally well,” giving rise to two other Florida locations under the same brand.

### **Golf As Life -- Filling Walls Is Easy. Finishing a Simulator Room Is Not.**

*The difference is subtle—but it's what separates average rooms from memorable ones.*

Most simulator rooms don't have a wall problem. They have a *room problem*.

Filling empty space is easy. Creating a space that actually feels complete—that's something else entirely.

### **Quebec Team Plans to Build the First Indoor, 4-Dome, Golf Course in Chicago**

If all goes according to plan, a pair of Quebecers will open the first completely indoor golf course in Chicago by the end of next year. CEO and the co-founder Bertrand Quentin worked as a forestry engineer before beginning work on the Megalodome seven years ago.

“One of my friends brought me the idea of playing golf, golf in a dome, but it was only a small dome,” he told CTV News. “So I went to visit all the dome suppliers, and we found that some of them can build some larger domes. So that's why we evolved with this project.”

### **Four Seasons Golf Opens Outdoor Range**

WAUSAU, Wis. (WAOW) - This past March, Four Seasons Golf moved into their new location in Rothchild, where they feature four indoor golf simulators. Today, they are launching their new outdoor range where golfers can utilize Top Tracer technology, which tracks each shot, and displays interactive game play for all levels of golfers.

"It is for all ages, all abilities, you don't have to necessarily be a golfer to come here, we've got plenty of other games and activities that are on this. The games that are on here are everything from go fish and angry birds. But then, the more serious golfers can do training sessions, practice sessions. There's 25 different courses you can play, so you can actually play 18 holes of golf out here if you want as well."
